Ecumenical Partnership for Housing (EPH) is a nonprofit organization that partners with over 20 area churches to serve local families with children facing homelessness by providing housing, case management, and eviction prevention services.

For years, St. Norbert College Parish has partnered with EPH. Currently, we maintain an upper unit of a duplex to provide housing for a family with children experiencing homelessness. Each time it becomes vacant, SNC Parish volunteers help prepare the home for a new family to move in by cleaning, decorating, and stocking it with supplies. We also help with lawn care and snow removal. Our home is known as the Isaiah House.

Members of SNC Parish volunteer to serve on the EPH Board of Directors and as part of the EPH Unit Coordinator Team. We also support EPH by participating in its annual direct mail campaign to raise funds.

Volunteer Opportunities

- Join us in caring for our adopted home by cleaning, painting, landscaping, removing snow, decorating, or stocking with supplies when needed.
- Participate in the monthly EPH Family of Faith night.
- Mentor a family.
- Provide office support.
- Serve on a committee.
- Help with special events.
