

Academic Service-Learning

Sturzl Center for
Community Service
and Learning

Let's do something
good, **together!**

What the Sturzl Center Does

CONNECT students, faculty, and community partners who work together for the common good.

COMMUNICATE involvement opportunities organized by campus and community partners.

COORDINATE service programs that are strong, enduring, and have a positive impact.

What is Academic Service-Learning

- A method of teaching that enhances the curriculum
- An alternative “text”
- SNC mission, *Communio*
 - CATHOLIC
 - LIBERAL ARTS
 - NORBERTINE

Benefits of ASL to Students

Information about Community Partner

Add course-specific information

Expectations

Add course-specific information

Appropriate Behavior

If you are going to miss service for car troubles, sickness, etc. LET YOUR SUPERVISOR KNOW. When you are contacting the community partners initially, ask who the best person to contact is.

NO CELL PHONE USE AT THE SITE! Be respectful of the community partners and the work they are doing.

DO NOT TAKE PICTURES AT THE SITE! Be respectful of the people your community partner is serving, and of their privacy.

Title IX

Gender-Based Misconduct and Sexual Harassment

<http://www.snc.edu/titleix/>

If you experience, witness or are accused of gender based misconduct or sexual harassment at your service site you should come forward and report it to an SNC staff person who can support/assist you.

Any questions about service?
